HJFP Briefing 09

“Palestine is the barometer of Western integrity”

Don't call me a Palestinian of the Palestinian Territories because it is called Palestine.
Don't give me a fraction of my homeland and call it a solution.
Don't give me oppression and call it peace.
Don't give me a Bantustan and call it a home.
Don't give me a prison and call it freedom.
Don't draw the borders of my existence according to your whims and interests and call it a state.
My Palestine is the home that is mine since the dawn of history till the end of history.
