## HJFP Briefing 15

### “Palestine is the barometer of Western integrity”

Don't call me a Palestinian of the Palestinian Territories because it is called Palestine.  
Don't give me a fraction of my homeland and call it a solution.  
Don't give me oppression and call it peace.  
Don't give me a Bantustan and call it a home.  
Don't give me a prison and call it freedom.  
Don't draw the borders of my existence according to your whims and interests and call it a state.  
My Palestine is the home that is mine since the dawn of history till the end of history.
